(2) MANAGERS PRIMARY HEALTH

St. Paul's Hospital Permanent Full-Time

THE POSITION

The Manager of Primary Health reports to the Senior Manager, Primary Health and is accountable for the operations of Primary Health Sites and supports the planning, development, and implementation of Primary Health Initiatives throughout the Saskatoon Health Region. This includes promoting the concept of Primary Health across the Region: accessibility, health promotion, intersectoral collaboration, community participation and appropriate technology.

THE PERSON

- Bachelor's degree in a health care related discipline.
- Knowledge of the interface between the different facets of the health delivery system.
- Demonstrated knowledge of the principles of community development.
- Sound knowledge of Primary Health principles and determinants of health.
- Knowledge of evolving trends in health.
- Strong working knowledge of program development, program management and health promotion.
- Experience in budget planning and project management.
- Demonstrated record of innovation and creativity.
- Superior written and communication skills.
- A self-directed approach to work.
- Considerable travel both Urban and Rural are required.
- Strong organizational skills.
- Good attendance required.

Patient, Resident, Client and Employee Safety is a critical aspect of quality healthcare. All staff are accountable for creating a culture of safety, working as a team, communicating effectively and responding to adverse events.

The Saskatoon Health Region is committed to providing mentorship for our employees; all new external hires will be offered peer mentorship to support their transition into this position.

For detailed position-specific information, contact Vikki Smart at (306) 655-5365.
