

# General Practice Opportunity – Wadena, Saskatchewan

## General Practice Opportunity in Wadena — Home of Pamela Wallin, Well-known Canadian Journalist

Come and explore a prairie oasis and meet the friendly people of Wadena! The town is located in east-central Saskatchewan on the shore of the Quill Lakes, amidst prairie grainfields, aspen parklands, stunning sunsets, and northern lights. The Fishing Lake Resort, home to five regional parks, is in Wadena's back yard. The resort offers a wide range of recreational activities including boating, camping, fishing, swimming and golf.

The Wadena Wildlife Wetlands and the Quill Lakes International Shorebird Reserve are a wonderful place for birding. Over 1 million birds come to the Quill Lakes annually, the largest salt water lakes in Canada. Walking trails with boardwalks and lookout towers let you explore freshwater marshlands, wildflower meadows, saline shorelines, and a waterfowl feeding station.

Wadena, a bustling town of 1500, is located two hours northeast of Regina, two hours east of Saskatoon, and 1 1/2 hours northwest of Yorkton. A full range of health care services are available including a 15-bed hospital, 46-bed Long Term Care facility, ambulance, therapies, mental health, home care, and public health services. In addition, Wadena boasts a full range of amenities including an elementary school, a high school, an assisted living complex and several seniors' independent living options, as well as a full range of seasonal and year-round recreational options. To find out more about the community visit [www.wadena.ca](http://www.wadena.ca).

### The Opportunity

A General Practice opportunity with a guaranteed alternate payment contract awaits you in Wadena. The Wadena Medical Clinic is located immediately adjacent to the integrated hospital, long term care and community services facility. This clinic is fully staffed, furnished, equipped and just waiting for a new physician. Clinic space with low overhead rates is available.

Recruitment incentives include a practice establishment grant, relocation assistance, a car allowance and housing assistance. A Saskatchewan Medical License, Canadian Medical Protective Association coverage, Canadian residency/immigration status, and eligibility for membership on the Saskatoon Health Region Practitioner Staff are required.

### The Region

Saskatoon Health Region is one of the most integrated and complex health delivery agencies in Canada. We are the largest health region in Saskatchewan serving more than 300,000 residents in over 100 cities, towns, and rural municipalities. Saskatoon Health Region is the largest single employer in the province with over 12,000 staff and 800 physicians across the Region providing a complete range of health services to residents of central and northern Saskatchewan. The city's three acute care hospitals – St. Paul's, City, and Royal University – comprise three of the province's tertiary teaching centres.
