

## Permanent Medical Imaging Positions

### The Opportunity and the Applicant

Exciting opportunities are available at the University of Saskatchewan and Saskatoon Health Region for a Diagnostic radiologist with broad expertise, special interest in areas of subspecialty imaging including abdominal imaging, musculoskeletal imaging or interventional are welcomed.

Candidates must hold certification or be eligible for certification with the Royal College of Physicians and Surgeons of Canada.

### The University

A publicly funded institution established in 1907, the University of Saskatchewan offers a full range of curricula, both academic and professional, with students registered in 13 colleges, including health sciences (medicine, nursing, dentistry, physiotherapy, pharmacy and nutrition, and kinesiology) and veterinary sciences.

### The Region

Saskatoon Health Region is one of the most integrated and complex health delivery agencies in Canada. We are the largest health region in Saskatchewan serving more than 300,000 residents in over 100 cities, towns, and rural municipalities. Saskatoon Health Region is the largest single employer in the province with over 12,000 staff and 800 physicians across the Region providing a complete range of health services to residents of central and northern Saskatchewan. The city's three acute care hospitals – St. Paul's, City, and Royal University – comprise three of the province's tertiary teaching centres.

### The City

Saskatoon Shines – with more hours of sunshine than any other major Canadian city. With a population of 230,000, Saskatoon is the largest city in Saskatchewan, boasting small town spirit and big city amenities. World class events, festivals and attractions ... strong arts and music focus ... a short drive to the northern lake country ... a variety of indoor and outdoor sporting facilities ... and more golf courses per capita than anywhere in North America. The city is noted for its outstanding walking and biking trails along the riverbank and excellent educational facilities, including the University of Saskatchewan. What's more – everything is within 15 minutes of home

In accordance with Immigration requirements, preference will be given to Canadian citizens or those who have Permanent Landed Resident status.
