

**University of Saskatchewan
College of Medicine**

**Pediatrics – Hematology
Faculty Position**

The Department of Pediatrics of the College of Medicine and Saskatoon Health Region is seeking applications for a faculty position in Hematology.

The successful candidate will provide consultative services for children of Saskatchewan. In addition, the successful candidate will participate in developing and guiding strategies for improving the health and health care of Saskatchewan children. The candidate will contribute to developing and delivering enhanced teaching curricula.

We seek clinicians who have experience in teaching and research to join our full-time academic faculty. Candidates must be certified specialists with subspecialty training in hematology and be eligible for licensure in the province of Saskatchewan. Salary and academic rank will be commensurate with experience and qualifications.

All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority. The University is committed to Employment Equity. Members of Designated Groups (women, Aboriginal people, people with disabilities and visible minorities) are encouraged to self-identify in the applications.

Applications accompanied by detailed curriculum vitae and the names of three references should be forwarded by Aug 1, 2011 to:
