UNIVERSITY OF
SASKATCHEWAN

The Division of Plastic Surgery is a partnership between the University of Saskatchewan and the Saskatoon Health Region with both Community and University based clinicians, educators and researchers. Collective responsibilities include clinical care of inpatients and outpatients and education of undergraduate and postgraduate trainees.

At present we are seeking the following:

- Division Head with a proven commitment to high quality clinical care, teaching and research. This senior position is an excellent opportunity to provide strategic leadership, direction and coordination for the Division of Plastic Surgery.
- Plastic Surgeon with subspecialty training and proven clinical experience in plastic surgery. The successful candidate will be expected to participate in the academic activities of the Division of Plastic Surgery

Candidates must be eligible for licensure in the Province of Saskatchewan and be certified or eligible for certification in plastic surgery by the Royal College of Physicians and Surgeons of Canada or the American Board of Surgery.

Saskatoon Health Region is one of the most integrated and complex health delivery agencies in Canada, providing a complete range of health services to central and northern Saskatchewan. Saskatoon, the largest city in the province is noted for its world class events, festivals and attractions, a variety of indoor and outdoor sporting facilities, outstanding walking and biking trails along the riverbank and excellent educational facilities.

All qualified candidates are encouraged to apply in confidence; however, Canadians and permanent residents will be given priority.
