Posting Date JANUARY 31, 2012

Position	PERMANENT FULL-TIME ADDICTIONS COUNSELLOR - DIPLOMA (SHRC - EXEMPTION EX 3076 & ARTICLE 22 - MALE CANDIDATES ONLY)
Department	MENTAL HEALTH & ADDICTION SERVICES - ADULT PROGRAM
Facility	CALDER CENTRE
Affiliation	HSAS
Hours of work	9 & 12 Hour Shifts - Days, Evenings & Weekends - 4 On, 4 Off
Salary	\$24.931 to \$30.485 per hour (Five Step Range) (Diploma)

CLOSING DATE: FEBRUARY 10, 2012

JOB SUMMARY

As a successful applicant, you will be responsible to provide recovery services to persons affected by substance abuse and family members. This will include screening and on-going assessment activities, individual and group counselling, case and file management and community resource involvement. You will be working within a team environment.

QUALIFICATIONS

- To qualify for this position you require a Diploma in Chemical Dependency studies.
- Good attendance required.

Patient, Resident, Client and Employee Safety is a critical aspect of quality healthcare. All staff are accountable for creating a culture of safety, working as a team, communicating effectively and responding to adverse events.

The Saskatoon Health Region is committed to providing mentorship for our employees; all new external hires will be offered peer mentorship to support their transition into this position

ELIGIBILITY

This competition is open to all HSAS members of Saskatchewan. Please visit www.saskatoonhealthregion.ca and click on Join Our Team and How To Apply to submit your application or fax to 306.655.0124 by the CLOSING DATE.

NOTE: PREFERENCE FOR THIS POSITION WILL BE GIVEN TO HSAS MEMBERS IN ACCORDANCE WITH THE TERMS AND CONDITIONS OF THE SAHO/HSAS COLLECTIVE AGREEMENT.

(HOME FACILITY - ROYAL UNIVERSITY HOSPITAL)

Affiliation SUN **Anticipated Appointment Date** MARCH 2012

Hours of work 8 Hour Shifts - Flex Hours - Days - Evenings & Weekend work may be required

Salary Nurse B: \$37.33 to \$46.56 per hour (Six Step Range)

CLOSING DATE: FEBRUARY 10, 2012

THE POSITION

The LiveWell Diabetes Program Aim 4 Health is an interdisciplinary diabetes care team that offers diabetes prevention, detection, care, and treatment services to a diverse population, with a focus on the needs of First Nations, Métis & Immigrant peoples. Programs are delivered in a holistic and culturally appropriate manner and in a variety of ways such as centre-based and outreach into the community in partnership with community organizations. Reporting to the Manager of Chronic Disease Management, the CDM Nurse Educator will be responsible for:

- CDM programs in the area of diabetes and cardiovascular diseases, assisting with the development, co-ordination and implementation of clinic-based and community-based outreach programs.
- Utilization of established criteria to assess and plan self-management care needs and appropriate intervention to ensure timely access to care.
- Efficient and effective individual self-management education and counseling for clients/families/caregivers in all aspects of diabetes management, care, and treatment. Liaison with families, physicians, dietitians, staff nurses, community agencies and First Nations health organizations.
- Coordination and facilitation of group education classes for outpatients in a variety of settings.
- Promotion of continuing health professional involvement in patient education through effective communication, development of resource materials, and provision of in-service education delivered in a culturally appropriate manner.

THE NURSE

- Requires a Baccalaureate Degree in Nursing. Masters degree in Nursing, Adult or Continuing Education is an asset.
 - Requires current registration with SRNA, current certification in HeartSaver Health Care Provider, Level C (CPR).
 - Three (3) years related clinical nursing experience with clients and families with chronic disease, in particular diabetes.
- Experience with other vascular diseases such as cardiovascular and chronic kidney disease is an asset.
- Minimum of one (1) year experience in adult education & group facilitation including teaching/counseling, and facilitating group activities.
 - One (1) year experience in program/resource development related to needs assessment, planning, program design, implementation and evaluation.
 - Requires a minimum of one (1) year experience working with Aboriginal peoples in a community-based health-related program.
 - Requires cultural sensitivity and openness to working with diverse populations. Ability to speak a First Nations or Métis language is an asset.
 - Demonstrated ability to deliver diabetes programs and services in a holistic and culturally appropriate manner with First Nations & Métis peoples.
 - Requires knowledge and understanding of First Nations & Métis customs, family systems, practices, health needs and healthcare organizations.
 - Current certification with the Canadian Diabetes Educator Certification Board (CDECB) required upon employment or at the earliest annual examination following achievement of the eligibility criteria, as outlined by CDECB.
 - Membership with the Diabetes Education Section (DES) is an asset.
 - Demonstrated skill in teaching patients/families individually and in a group setting working with a variety of community partners in program delivery
 - Demonstrated highly-developed clinical assessment skills.
 - Demonstrated ability to establish and maintain effective interpersonal/consultative relationships and communication patterns with all contacts and with other health professionals of the interdisciplinary team. Demonstrated ability to work independently while working effectively within a team environment.
 - Computer skills and familiarity with Word, Excel, Access, and Powerpoint.
 - Valid driver's license and access to a reliable vehicle.
 - Good attendance required.

Patient, Resident, Client and Employee Safety is a critical aspect of quality healthcare. All staff are accountable for creating a culture of safety, working as a team, communicating effectively and responding to adverse events.

CLOSING DATE: FEBRUARY 10, 2012

THE POSITION

Under the direction of the Manager of Nursing, the RN will be responsible for the assessment, planning, implementation and evaluation of patient care in the Ambulatory Care Department.

THE NURSE

A diploma/degree in nursing, current registration with SRNA and certification in Basic Life Support at Level C are required.

SELECTION

Selection for this position will be based on Article 27.04 of the SUN/SAHO Collective Agreement. The position shall be offered on the basis of seniority, provided the applicant possesses the qualifications required to fill the position and the sufficient ability to perform the duties and responsibilities of the position.

It will be desirable if you possess a knowledge of the principles, methods and techniques involved in performing nursing services relating to the care of patients in an Ambulatory Care Department. This knowledge is commonly obtained through previous experience in endoscopy, including ERCP's, urodynamics, cystoscopy and medical day care. Good attendance required.

Patient, Resident, Client and Employee Safety is a critical aspect of quality healthcare. All staff are accountable for creating a culture of safety, working as a team, communicating effectively and responding to adverse events.

The Saskatoon Health Region is committed to providing mentorship for our employees; all new external hires will be offered peer mentorship to support their transition into this position

ELIGIBILITY

This competition is open to all SUN members of Saskatoon Health Region and its affiliated agencies. Please visit www.saskatoonhealthregion.ca and click on Join Our Team and How To Apply to submit your application or fax to 306.655.0124 by the CLOSING DATE.

NOTE: THIS POSITION IS OPEN TO ALL SUN MEMBERS WITHIN THE BARGAINING UNIT AS PER ARTICLE 27.05 OF THE SUN COLLECTIVE BARGAINING AGREEMENT, HOWEVER FIRST PREFERENCE WILL BE GIVEN TO EMPLOYEES OF SASKATOON HEALTH REGION AND ITS AFFILIATED AGENCIES.

CLOSING DATE: FEBRUARY 10, 2012

THE POSITION

Under the direction of the Manager of Nursing, the RN will be responsible for the assessment, planning, implementation and evaluation of patient care on the Medical Day Care Unit. The position is multi-site with Endoscopy at SPH and Ambulatory Care (endoscopy component) at SCH.

THE NURSE

A diploma/degree in nursing, current registration with SRNA and certification in Basic Life Support at Level C are required.

SELECTION

Selection for this position will be based on Article 27.04 of the SUN/SAHO Collective Agreement. The position shall be offered on the basis of seniority, provided the applicant possesses the qualifications required to fill the position and the sufficient ability to perform the duties and responsibilities of the position.

It will be desirable if you possess a knowledge of the principles, methods and techniques involved in performing nursing services relating to the care of patients on Medical Day Care. This position includes rotations through: Endoscopy, Dermatology, Clinical Investigation Unit, Esophageal Motility Studies and Extra Corporeal Photopheresis. Previous experience in any of these areas would be an asset. Good attendance required.

Patient, Resident, Client and Employee Safety is a critical aspect of quality healthcare. All staff are accountable for creating a culture of safety, working as a team, communicating effectively and responding to adverse events.

The Saskatoon Health Region is committed to providing mentorship for our employees; all new external hires will be offered peer mentorship to support their transition into this position
