

Saskatoon Health Region and SIAST Medical Diagnostics Department Presents:

A SHR Career Exploration for the following Medical Careers:

- Combined Laboratory and X-ray Technology (CLXT)
- Cytotechnology (CYTO)
- Diagnostic Medical Sonographer (DMS)
- Magnetic Resonance Technologist (MRI)
- Medical Laboratory Assistant (MLA)
- Medical Laboratory Technology (MLT)
- Medical Radiologic Technology (MRT)
- Nuclear Medicine Technologist (NMT)

and an Applicant Information Session for the following SIAST programs:

- Combined Laboratory and X-ray Technology (CLXT)
- Cytotechnology (CYTO)
- Medical Laboratory Assistant (MLA)
- Medical Laboratory Technology (MLT)
- Medical Radiologic Technology (MRT)

This will be an informative session for anyone interested in learning more about the above careers in the medical diagnostics field as well as the application and selection process to be accepted into the High Demand SIAST programs.

Date: January 19, 2010

Time: 10:00 am to 3:00 pm

Place: Saskatoon City Hospital Rependa (located just inside the main doors of the hospital, to the right)

Casual pizza lunch will be provided for all presenters and attendees.

Speakers to include:

- Saskatoon Health Region representatives
- Professionals employed in the SHR from each of the technologies listed above
- Representative from the Saskatchewan Association of Combined Laboratory and X-ray Technicians (SACLXT)
- Representative from the SIAST Medical Diagnostics Department
- First and second year students from the SIAST programs
