Dr. Sheldon Wiebe
Unified Department Head
Department of Medical Imaging

The University of Saskatchewan, College of Medicine and the Saskatoon Health Region are pleased to introduce you to Dr. Sheldon Wiebe, Unified Department Head for the Department of Medical Imaging. Dr. Wiebe was appointed Acting Head of this department in April of 2006.

Dr. Wiebe received his MD from the College of Medicine at the University of Saskatchewan in 1995. He completed his residency in Family Medicine at the Department of Family Medicine at the Royal University Hospital and a second Residency in Diagnostic Radiology in the Department of Medical Imaging at the

Royal University Hospital. He completed his Fellowship in Pediatric Radiology from the University of Toronto, the Hospital for Sick Children, Department of Medical Imaging and in 2006 became a Fellow of the American Academy of Pediatrics.

Dr. Wiebe has been an active staff member of the Saskatoon Health Region since 2002 and has been appointed to various positions including: Research Director and Co-ordinator for Clinical Research, and Assistant Professor, all within the Department of Medical Imaging at the Royal University Hospital. In addition, he is a Pediatric Radiologist.

Dr. Wiebe's leadership and commitment will contribute greatly to the work done in the Department of Medical Imaging.
