

UNIVERSITY OF
SASKATCHEWAN

College of Medicine

Dr. William Bingham
Unified Department Head
Department of Pediatrics

The University of Saskatchewan, College of Medicine and the Saskatoon Health Region are pleased to introduce you to Dr. William Bingham, Unified Department Head for the Department of Pediatrics. Dr. Bingham was appointed to this position in July of 2006 for a five-year term.

Dr. Bingham earned his MD from College of Medicine, University of Saskatchewan in 1974. In 1979 he became a Fellow with the Royal College of Physicians and Surgeons, and a Fellow with the American Academy of Pediatrics, and with the Canadian Pediatric Society in 1981.

Throughout his career, Dr. Bingham has been appointed to various positions at the College of Medicine including Assistant and Associate Professor, Department of Pediatrics, Acting Associate Dean of Medicine, Postgraduate Medical Education and Associate Dean of Medicine, Postgraduate Medical Education.

Dr. Bingham is a distinguished professor who has lectured extensively for undergraduate, postgraduate, and graduate programs. In addition, he has lectured at events across Canada and the United States. An avid researcher, Dr. Bingham has been awarded many grants for a long list of projects he has investigated over the years.

Dr. Bingham brings excellent leadership to this important role within the Saskatoon Health Region and College of Medicine.
