

General Parking Information

If you are driving to a Saskatoon Health Region facility, please leave enough time to find parking before your appointment.

For current parking rates please contact our Customer Support Centre at 306.655.2535.

Parking for People with Disabilities

Designated parking spaces are provided for vehicles displaying a valid, provincially recognized parking permit for people with disabilities.

Meter and Pay Lots

Short-term parking meters are monitored 24 hours per day including weekends and statutory holidays (unless otherwise posted).

Hourly pay parking rates are posted at each lot.

Visitor Parking Passes

Parking passes may be available at the site you are attending.

- Daily passes allow multiple entries and are valid for 24 hours from the time and date of first entry;
- Weekly passes provide multiple entries and are valid for seven days from the time and date of first entry;
- Monthly passes allow multiple entries and are valid for 30 days from the time and date of first entry.

Parking Regulations

Parking infractions may result in a parking ticket and/or towing charges.

Height Restrictions

Some facilities have a height restriction. If your vehicle is over two metres high, please contact the Customer Support Centre at 655-2535 for possible accommodation.

Emergency Drop Off

There are short-term drop-off zones for patients who require urgent access to the Emergency Departments. Please consult local signage for details.

Bicycle Parking

Bicycles may be parked and locked to bicycle stands where they are provided.

Please do not park or lock your bicycle to trees, parking meters, sign posts or railings on Saskatoon Health Region property or allow your bicycle to impede or obstruct the flow of traffic, either vehicular or pedestrian.
