**Job Description:**

- The Saskatoon Dermatology Centre is seeking a Dermatologist to join our growing private practice. The specialist would join 2 Full time Dermatologists providing consultations and services in Medical Dermatology, Surgical Dermatology and Aesthetic Dermatology including phototherapy services. Opportunities for research, clinical trials, and teaching medical learners is also possible.

**Job Qualifications:**

- The candidate will hold certification or be eligible for certification with the Royal College of Physicians and Surgeons of Canada (RCPSC). Successful applicants will be eligible for a provisional or regular license with the College of Physicians and Surgeons of Saskatchewan.
- Individuals should be a team player, able to interact effectively with patients, colleagues, and staff and function in a high volume environment with a commitment to high quality and detailed centred care.
- In accordance with immigration requirements, preference will be given to Canadian citizens and permanent residents of Canada.
- Proof of COVID-19 vaccination will be required to become a member of Practitioner Staff and provide care in Saskatchewan Health Authority facilities.

**Additional Information:**

- The Saskatoon Dermatology Centre was founded in September 2020, in the Stonebridge area of Saskatoon. At Saskatoon Dermatology Centre, our mission is to deliver comprehensive medical, surgical and aesthetic Dermatologic care to all our patients and clients using the most up to date evidence, science, optimal safety and clinical best practices. Our facility and caring Dermatologists strive to do this in a comfortable, and clean environment to promote wellness, confidence and natural beauty to all of our patients. We have grown quite quickly, given the shortage of Dermatologists in Saskatchewan and now comprise 2 Dermatologists, 14 clinical rooms, and 6 staff members and are looking to welcome another member to our team.
- Opportunities include: medical dermatology services, surgical dermatology services, cosmetic dermatology services, phototherapy services, flexible schedule, research opportunities, training medical students and residents through the University of Saskatchewan, learning from other Dermatology colleagues, amazing work/life balance, and much more.
