General Pediatrician
Locum

Posting Date: April 21, 2021

Position profile – Saskatchewan Health Authority – Saskatoon and University of Saskatchewan, Department of Pediatrics, is seeking applications for a part-time General Pediatric specialist for a one year locum term position, commencing September 2021. The Department of Pediatrics is dedicated to providing exemplary health care for children, ensuring excellence in training of future pediatrics health care providers, undertaking meritorious research and advocating for the health and well-being of children and youth.

Inpatient services are provided at Jim Pattison Children’s Hospital (JPCH), covering 8 CTU weeks per year. Outpatient commitments include 2 days per week covering a general pediatric practice in downtown Saskatoon. A fly-in Northern and remote Pediatric clinic with Northern Medical Services is provided one full day every 4-6 weeks. There is also a shared monthly cleft lip and palate clinic and a shared monthly complex cardiology clinic at JPCH. (Please note that due to the COVID-19 Pandemic the complex cardiology clinic is currently on hold.)

Compensation details – Competitive remuneration

Benefits – Benefits are the responsibility of the successful candidate

Location of practice – Saskatoon, Saskatchewan

Qualifications/Requirements of the position – Applicants in consideration will have Royal College certification in Pediatrics and be eligible for licensure with the College of Physicians and Surgeons of Saskatchewan.
