Posting Date: REVISED: April 14, 2020

Position profile – Saskatchewan Health Authority – Saskatoon and University of Saskatchewan, Department of Pediatrics, is seeking applications for a part-time General Pediatric specialist for a one year locum term, commencing July 2020. The Department of Pediatrics is dedicated to providing exemplary health care for children, ensuring excellence in training of future pediatrics health care providers, undertaking meritorious research and advocating for the health and well-being of children and youth.

This position is a 0.70 full time equivalent (FTE) opportunity, comprised of 0.60FTE clinical service delivery and 0.10FTE of protected academic time for the role of Undergraduate Medical Education Module Director – Advanced Communication Skills. Clinical practice consists of outpatient and inpatient (Clinical Teaching Unit) commitments. Inpatient services are at Jim Pattison Children’s Hospital, covering 8 total CTU weeks. Outpatient commitments include covering a general pediatric practice in downtown Saskatoon, and fly-in rural and remote clinics with Northern Medical Services.

Compensation details – $224,738 per annum

Benefits – Benefits are the responsibility of the successful candidate.

Location of practice – Saskatoon, Saskatchewan

Qualifications/Requirements of the position – Applicants in consideration will have Royal College certification in Pediatrics and be eligible for licensure with the College of Physicians and Surgeons of Saskatchewan.
