

NEONATOLOGIST

Posting Date: May 9, 2022

Position profile – Saskatchewan Health Authority – Saskatoon and University of Saskatchewan, Department of Pediatrics, Division of Neonatology is seeking applications for a permanent full time Neonatologist. The Jim Pattison Children’s Hospital (JPCH) Neonatal Intensive Care Unit (NICU) is a 48 single room unit that provides patient care to a range of infants, including extremely premature to infants with surgical problems. The JPCH NICU has a wide catchment area providing services to Northern Saskatchewan. In addition to standard level 3 newborn care, we offer a variety of active clinical programs such as point of care ultrasound, neuro-critical care and family centered care. The successful candidate will join a team of 5 full time Neonatologists, in a level 2 and 3 NICU, sharing in the clinical workload of the NICU follow up program at JPCH. In addition the team consists of 5 Neonatal Nurse Practitioners and 10 Clinical Associates.

Compensation details – \$240,000 - \$420,000/annum

Benefits – Benefits are the responsibility of the successful candidate

Location of practice – Saskatoon, Saskatchewan

Qualifications/Requirements of the position – Applicants in consideration will have certification with the Royal College of Physicians and Surgeons of Canada in Pediatrics and Neonatal-Perinatal Medicine (FRCPC in both Pediatrics and NICU) and be eligible for licensure with the College of Physicians and Surgeons of Saskatchewan.
