

Pediatric Neurologist (Locum)

Posting Date: November 26, 2021

Position profile: Saskatchewan Health Authority (SHA) – Saskatoon and University of Saskatchewan, Department of Pediatrics, Division of Pediatric Neurology is seeking a Pediatric Neurologist to join our division for a 1 year locum term. This locum opportunity will commence April 1st 2022 and continue until the end of March 2023. This is an exciting opportunity to practice in a hospital based group practice where you will be joining three other Pediatric Neurologists to provide both inpatient and outpatient care to the children of Saskatchewan.

Call is shared equally making a 1:4 call rota covering evenings and weekends. The number of patient clinics provided when not on call will depend on other duties but in general will range from 3-4 half day clinics per week.

Compensation details: Competitive contract

Benefits: Benefits are the responsibility of the successful candidate

Location of practice: Saskatoon, Saskatchewan

Qualifications/Requirements of the position: Candidates must hold certification or be eligible for certification in Pediatric Neurology from the Royal College of Physicians and Surgeons of Canada and be eligible for licensure with the College of Physicians and Surgeons of Saskatchewan (CPSS).

Proof of COVID-19 vaccination will be required to become a member of Practitioner Staff and provide care in Saskatchewan Health Authority facilities.
