Pediatric Neurologist Position

**Posting Date:** February 14, 2020

**Position profile:** – Saskatchewan Health Authority (SHA) – Saskatoon and University of Saskatchewan, Department of Pediatrics, Division of Pediatric Neurology is seeking a Full-Time Pediatric Neurologist to join our division. This is an exciting opportunity to practice in a hospital based group practice where you will be joining three other Pediatric Neurologists to provide both inpatient and outpatient care to the children of Saskatchewan.

Call is shared equally making a 1:4 call rota covering evenings and weekends. The number of patient clinics provided when not on call will depend on other duties but in general will range from 3-4 half day clinics per week.

There is excellent opportunity to participate in an academic position (research and teaching) as well as the possibility of a leadership role within the department if the applicant has previous experience in a senior or leadership position.

**Compensation details** – $ 391,474– $446,661

**Benefits** – Benefits are the responsibility of the successful candidate.

**Location of practice** – Saskatoon, Saskatchewan

**Qualifications/Requirements of the position** – Candidates must hold certification or be eligible for certification in Pediatric Neurology from the Royal College of Physicians and Surgeons of Canada and be eligible for licensure with the College of Physicians and Surgeons of Saskatchewan (CPSS). Certification of fellowship training in pediatric epilepsy and holding or applying for Canadian Society of Clinical Neurophysiology EEG certificate is a requirement.

**Saskatoon Community Information** | **The University of Saskatchewan** | **The Saskatchewan Health Authority**

The new Jim Pattison Children’s Hospital offers state-of-the-art equipment and facilities for children, mothers and families from across our province. Centrally located on the University of Saskatchewan campus, our new children’s hospital offers brand new equipped two pediatric epilepsy monitoring units, combined new EEG and sleep lab, neonatal intensive care, pediatric intensive care, general pediatrics, pediatric emergency and ambulatory services. The 176-bed facility provides the highest quality of care and put Saskatchewan at the forefront of research and innovation. **Virtual Tour:** [Jim Pattison Children's Hospital](#)

**To Apply:** SHA supports a shared commitment to a Representative Workforce that is respectful and inclusive of all staff and clients and welcomes applications from those who will contribute to the diversity of our community. All qualified candidates are encouraged to apply; however, Canadian citizens and permanent residents will be given priority.

**Interested candidates, please submit your curriculum vitae in confidence to:**
