

## Pediatric Neurologist (Locum)

**Posting Date:** December 6, 2021

**Position profile:** – Saskatchewan Health Authority (SHA) – Saskatoon and University of Saskatchewan, Department of Pediatrics, Division of Pediatric Neurology is seeking a Pediatric Neurologist to join our division for a 9 month locum term. This locum opportunity will commence May 1, 2022 and continue until the end of January 2023. This is an exciting opportunity to practice in a hospital based group practice where you will be joining three other Pediatric Neurologists to provide both inpatient and outpatient care to the children of Saskatchewan.

Call is shared equally making a 1:4 call rota covering evenings and weekends. The number of patient clinics provided when not on call will depend on other duties but in general will range from 3-4 half day clinics per week.

**Compensation details:** Competitive contract

**Benefits:** Benefits are the responsibility of the successful candidate.

**Location of practice:** Saskatoon, Saskatchewan

**Qualifications/Requirements of the position** – Candidates must hold certification or be eligible for certification in Pediatric Neurology from the Royal College of Physicians and Surgeons of Canada and be eligible for licensure with the College of Physicians and Surgeons of Saskatchewan (CPSS). All eligible candidates are encouraged to apply, please note that preference will be given to candidates that have obtained Canadian Society of Clinical Neurophysiology EEG certification.
