20th & Q Family Walk In Medical Clinic is urgently seeking general physicians to work at our busy walk in clinic.

We offer fully functional clinic settings with a dedicated, well-trained staff whose main goal is to support your patient's health and wellbeing with exceptional patient care.

Clinic Features:

- Equipped with electronic medical records using Accuro EMR.
- Functional treatment room, allowing the physician to perform minor procedures for their patients, which we can adapt to a physician's needs and area of interest, if need be.
- Mini-lab allowing spot checks for your patients if required.
- Attached to a Medicine Shoppe pharmacy offering convenience for both patients and doctors.
- Directly across the street from St. Paul's Hospital and kitty-corner across from Saskatoon Medical Imaging allowing easy access for x-rays, ultrasounds and laboratory collection for your patients. The clinic is also close to a variety of specialists offices.
- Monitored parking behind the clinic.
- We offer a competitive 75/25 fee share.

Please contact our Clinic Manager, Christine Watson @ familywalkin@shaw.ca or Dr. Akin Peluola @ victorymed@sasktel.net if you have any questions or would like to schedule a tour of our facilities.

Proof of COVID-19 vaccination will be required to become a member of Practitioner Staff and provide care in Saskatchewan Health Authority facilities.
