Erindale Health Centre is a family practice oriented medical office situated in an established neighbourhood in the south east corner of Saskatoon.

We are looking for family physicians and specialists to join our busy clinic. Full time locums and part time locums are welcome. We are a high patient volume clinic and offer a competitive split.

Our office is open on an extended hours schedule of 8:30 AM to 8 PM on weekdays and 10 AM to 4 PM on weekends. We offer care to both booked patients as well as walk in patients. Our clinic is fully computerized with friendly, well trained and efficient staff. Our location offers plenty of free parking, X-Ray facilities and a pharmacy. Laboratory facilities are also nearby.

All inquiries are welcome. Please don't hesitate to reach out to our office manager, Sharadyn Andre, at ehc.saskatoon@gmail.com, at our fax (306) 934-6615 or give us a call at (306) 934-6601.
