Job Description:

Willowgrove Medical Group is looking for ambitious family physicians to join their busy practice on a full-time basis. Obstetrics is optional.

The successful candidate will be responsible for the duties associated with a family practice including examining and advising patients, addressing minor emergencies, ordering diagnostic procedures, prescribing medications and performing minor surgeries.

Remuneration and Benefits:

Fee for service compensation is based on agreements between SK Ministry of Health and the SMA. Anticipated salary range is \$250,000 to \$500,000/year based on a minimum of 40 hours/week. We offer a competitive expense split - 70/30 and group benefits are available after 3 months.

Job Qualifications:

The candidate must hold a medical degree; will hold certification or be eligible for certification from the College of Family Physicians of Canada (CFPC); Medical Council of Canada qualifying examinations (MCCQE I and MCCQE II); Licentiate of the Medical Council of Canada (LMCC). Successful candidates will be eligible for a provisional or regular license with the College of Physicians and Surgeons of Saskatchewan (CPSS).

Language of Work: Services are provided in English.

Proof of COVID-19 vaccination will be required to become a member of Practitioner Staff and provide care in Saskatchewan Health Authority facilities.

Priority will be given to applicants who are Canadian citizens or permanent residents.

Additional Information: Willowgrove Medical Group is a fully computerized clinic with networked computers for EMR use; we have an x-ray lab on site. We offer primary care, occupational medicine and a wide range of specialty services including circumcisions and vasectomies. Weekend & weekday call is shared with all practicing physicians; currently 1 in 9 weekends.
