

Lakeside Medical Clinic (LMC), Saskatoon
Family Physicians Required
Type: Permanent or Locum
Term: Full Time or Part Time

Well established Saskatoon practice, that will be relocating to a purpose-built medical office tower summer 2020, is looking for Family Physicians.

Joining a large physician group, you will have the opportunity to build a practice in our new 24,000 sq ft family medical practice on the 3rd and 4th floors that will house 32 offices, 68 exam rooms and 2 procedure rooms featuring power assist tables. There is ample earning potential in the 10 exam room, 2 procedure room Urgent Care facility located on the main floor with 3 physician colleagues working together at all times. The new office is located very close to the UofS and Jim Pattison's Children's Hospital for those with obstetrical practices and teaching commitments. The building complex, named Lakeside Centre, is located on Muskeg Lake Cree Nation urban reserve land, has ample parking and will include a pharmacy, medical imaging, physio, a dental group an optometrist office and some medical specialists.

Qualifications: Candidates must hold certification with College of Family Physicians of Canada, will have CMPA insurance coverage, have Staff Membership in SHR and hold a valid license to practice medicine in Saskatchewan.
