Critical Care Program Sponsorship

Are you a Registered Nurse interested in **CRITICAL CARE NURSING?**

Do you aspire to be part of a multi-disciplinary team in a fast-paced and challenging work environment?
Critical care nursing may be for you!

Saskatchewan Health Authority - Saskatoon area is currently accepting applications from Registered Nurses for enrollment in the Saskatchewan Polytechnic Critical Care Nursing Program!

As a RN CCNP student, you will be enrolled in the 11-week fast track course delivery option. If selected for sponsorship, we will cover the costs of the program (tuition, books, fees, etc).

Sponsored employees are required to sign a return for service agreement in Critical Care with Saskatchewan Health Authority - Saskatoon area (RUH ICU, SPH ICU, CCU, or Cath Lab).
