

When do I refer to the Healthy Mother Healthy Baby Prenatal program?

early

~~AS SOON AS POSSIBLE~~

In 2016, there were **797 babies** born to Saskatoon women who may have been eligible for the Healthy Mother Healthy Baby prenatal program.*

Less than half of these women were referred to the Healthy Mother Healthy Baby program.

Who are we missing?

Healthy Mother Healthy Baby supports **medium-to-high risk prenatal clients** with a variety of risk factors:

food insecurity

unstable housing

substance use

poverty

teen pregnancy

HEALTHY MOTHER HEALTHY BABY OFFERS PRENATAL CLIENTS

1-on-1 support at home or high school

CHEP food/vegetable vouchers, milk coupons, prenatal vitamins

housing supports

prenatal teachings, parenting supports & referrals

mental health referrals

referrals and supports related to difficulties at home, domestic violence, drug and alcohol use

REFER OFTEN. REFER EARLY.

Refer any prenatal client who might benefit from additional supports.
