

# Child Health Clinics (January 1 - March 31, 2023)

First Immunizations are due at 2 months of age.

Please book your appointment as soon as possible by contacting your local Public Health Office.

Public Health Nurses provide **free** routine immunizations funded by the Saskatchewan Ministry of Health.

A parent or legal guardian must be present to provide informed consent for immunization.

**Before arriving:** Read the vaccine fact sheets

<https://www.saskatchewan.ca/residents/health/accessing-health-care-services/immunization-services>

**Standard appointment:**

- For families who do not have a routine family physician.
- Routine immunization.
- Support for parents in promoting healthy childhood growth & development and answer questions.
- Offered at booked appointments only

**Immunization Express appointment (20 minutes):**

- For infants and children 6 years and younger seen regularly by a family physician.
- All age-appropriate vaccines are provided. Height, weight and screenings are not repeated.

## Booked Appointments

Call 6 weeks in advance to book your appointment. If you are unable to attend, please let us know as soon as possible.

**\*Arrive 10 minutes early for your appointment to fill out forms. Allow 30 minutes for your child’s first appointment.**

## Drop-in Clinics - Saskatoon - Closed Statutory Holidays

We do our best to see everyone who attends our drop-in clinics.

If the clinic is very busy, we may have to turn people away. We recommend arriving as early in the clinic time as you are able.
