Re: Relocation of Lenore Drive LifeLabs Service Center Effective August 10, 2019

PLEASE POST AND DISTRIBUTE AS WIDELY AS APPROPRIATE

Key Messages:

- To better serve you, LifeLabs is relocating from 123 Lenore Drive to Lawson Heights Mall effective Saturday, August 10, 2019

Current location: Lenore Center Medical Clinic 3 – 123 Lenore Drive

New Location: Lawson Heights Mall A29 – 134 Primrose Drive

- As one of the busiest collection sites in Saskatoon, the Lenore Drive location has outgrown its current footprint. The new location is just a three minute drive away with ample parking, adjacent to a bus stop, will offer direct entry from outside the mall and has significantly more waiting room space.
- As we transition to this new location, we will ensure that there will be no disruption of services. We will remain open 7 days a week with the same operating hours that we currently provide:
 - Monday to Friday: 7:00 a.m. to 6:00 p.m.
 - Saturday to Sunday: 9:00 a.m. to 3:00 p.m.

Why this is important:

- The current Lenore Drive Laboratory patient service center will not remain open. Patients that frequent this patient service center will need to proceed to the new Lawson heights location or an alternative LifeLabs location.

Actions Required:

- If directing patients to a LifeLabs site, please inform them of this new service center in the Lawson Heights mall.

Inquiries and feedback may be directed to:

David McKinnon
Director- Pathology and Laboratory Medicine
Saskatchewan Health Authority
