

CENTRAL HAVEN SPECIAL CARE HOME

1020 AVENUE I NORTH, SASKATOON, SK S7L 2H7

MISSION:

Central Haven Special Care Home creates a community that supports each person to live a full and abundant life.

VISION:

Central Haven will be a rich and diverse habitat where children, plants and animals are a natural part of everyday life.

Central Haven will support quality of life and growth of each individual and the Central Haven community as a whole. We will strive to provide each resident with companionship, opportunities to give and receive care and a diverse environment rich with spontaneity and variety.

The environment will support the health and well being of employees. Central Haven will be an organization where staff can make a difference. We will support our staff as individual community members and encourage them to develop their strengths and passions in meeting our mission. Their work will be meaningful and rewarding.

Central Haven fulfills its mission within an external environment that is shaped by changing expectations of the public, available resources, and a focus on primary prevention where residents become partners in their own health care planning.

Inherent in this vision is a commitment to:

- Community need
- Quality of life through the Eden Alternative Philosophy
- Person-directed care and service
- Supportive work environment * Education and research
- Innovation and partnerships
- Fiscal responsibility

Central Haven Special Care Home is home to **60 elders**. We provide Long Term Care in a welcome and caring home environment that includes opportunities to care for other living things and creates an environment that encourages the variety and spontaneity that makes life worth living.

Central Haven is a registered Eden Alternative™ home. The Eden Alternative™ is a total philosophy that seeks to eliminate the three plagues of long term care - loneliness, helplessness and boredom.

RELIGIOUS AFFILIATION: Multidenominational although predominately Mennonite.

PERSONAL SERVICES: Laundry, Hairstylist, VON-Foot Care Services

ACTIVITIES/PROGRAMS OFFERED: Occupational Therapy, Art Studio, Spiritual Care Services, recreation, Intergenerational programming, gardening and music.

PETS: We are a registered Eden Alternative™ Home and welcome companion animals in our community.

PHILOSOPHY OF CARE: Our philosophy is the Eden Alternative™ Philosophy that states that the bulk of suffering is from loneliness, helplessness and boredom. Life needs to have meaning and medical treatment should be something that helps people to grow. Decisions should be made by or as close to the elders as possible. Staff needs to be empowered in order for elders to be empowered. Our community is based on love and kindness.
