WEBSITE: [Rosthern Mennonite Nursing Home](#)

MISSION :

Mennonite Nursing Home Inc. is dedicated to provide the best of emotional, intellectual, physical and spiritual care for its residents within a secure stimulating Christian/Spiritual atmosphere.

VISION:

Our vision is to offer an inviting, safe and comfortable home that enables our residents to live full and abundant lives within a Christian atmosphere. We serve our residents – regardless of ethnic, religious or national background – by providing quality care and safety for the whole person.

VALUES:

- Respect for All
- Compassionate Care
- Multi-Dimensional Care
- Stewardship
- Collaborative Partnerships

Mennonite Nursing Home is home for **68 residents**. We are an affiliate of Saskatoon Health Region.

We are located in a beautiful rural setting 66 km north of Saskatoon. We have independent apartments, assisted living units as well as a long term care home.

RELIGIOUS AFFILIATION: Mennonite

PERSONAL SERVICES: 24 hour nursing care, weekly visits by two physicians, hairstylist, in-house laundry, home cooked meals, etc.

ACTIVITIES/PROGRAMS OFFERED: A variety of activities are planned each day and posted on the bulletin boards. These activities include bingo, baking, singing, devotions, church services, exercises, and many others. Adult Day Program runs twice a week.

One Respite room available. The occupational therapist comes to the home twice per month and the physiotherapist is available on a referral basis.
