OUR MISSION:

As partners with the extended community the Saskatoon Convalescent Home creates an environment that promotes an optimal quality of life for those we serve.

OUR VISION:

A safe vibrant nurturing home for living and growing.

OUR VALUES:

- **Accountability** – We will be responsible for our decisions and actions.
- **Compassion** – We will be empathetic and responsive to the needs of those we serve.
- **Excellence** – We will pursue quality in all that we do.
- **Integrity** – We will be professional, honest, fair and open.
- **Respect** – We will acknowledge and honour the unique needs of each person.

Saskatoon Convalescent Home is home to **59 Residents** and **1 Respite** bed.

Saskatoon Convalescent Home is a Saskatoon Health Region Affiliate.
