Management Report

May 9, 2012

SASKATOON HEALTH REGION
REPORT OF MANAGEMENT

The accompanying financial statements are the responsibility of management and are approved by the Saskatoon Regional Health Authority. The financial statements have been prepared in accordance with Canadian Generally Accepted Accounting Principles and the Financial Reporting Guide issued by Saskatchewan Health, and of necessity includes amounts based on estimates and judgments. The financial information presented in the annual report is consistent with the financial statements.

Management maintains appropriate systems of internal control, including policies and procedures, which provide reasonable assurance that the Region's assets are safeguarded and the financial records are relevant and reliable.

The Authority delegates the responsibility of reviewing the financial statements and overseeing Management's performance in financial reporting to the Audit and Finance Committee. The Audit and Finance Committee meets with the Authority, Management and the external auditors to discuss and review financial matters and recommends the financial statements to the Authority or approval. The Authority approves the annual report and, with the recommendation of the Audit and Finance Committee, approves the audited financial statements.

The appointed auditor conducts an independent audit of the financial statements and has full and open access to the Audit and Finance Committee. The auditor's report expresses an opinion on the fairness of the financial statements prepared by Management.

INDEPENDENT AUDITORS' REPORT

To the Authority Members

We have audited the accompanying consolidated financial statements of Saskatoon Regional Health Authority, which comprise the consolidated statement of financial position as at March 31, 2012, and the consolidated statements of operations and changes in fund balances, and cash flows for the year then ended, and notes, comprising a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian generally accepted accounting principles, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform an audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of Saskatoon Regional Health Authority as at March 31, 2012, and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

SASKATOON REGIONAL HEALTH AUTHORITY

Notes to Consolidated Financial Statements
(in thousands of dollars)

Year ended March 31, 2012

1. Legislative authority

The Saskatoon Regional Health Authority (SRHA) operates under *The Regional Health Services Act* (the "Act") and is responsible for the planning, organization, delivery and evaluation of health services it is to provide within the geographic area known as the Saskatoon Health Region, under section 27 of *The Act*. The SRHA is a non-profit organization and is not subject to income and property taxes from the federal, provincial and municipal levels of government. The SRHA is a registered charity under the *Income Tax Act* of Canada.

2. Significant accounting policies

These consolidated financial statements are prepared in accordance with Canadian generally accepted accounting principles and include the following significant accounting policies:

(a) Health Care Organizations

- i) SRHA has entered into a joint service management partnership with one of its affiliates, St. Paul's Hospital (Grey Nuns) of Saskatoon ("St. Paul's"). St. Paul's is incorporated and a registered charity under the *Income Tax Act* of Canada. By agreement, SRHA and St. Paul's were each given responsibility for the management of designated care groups and support services. As a result of this relationship, the financial statements of St. Paul's have been consolidated with the financial statements of SRHA. Transactions and inter-organization balances between SRHA and St. Paul's are eliminated. The agreement with St. Paul's expires September 30, 2015.
- ii) In addition to St. Paul's, SRHA has entered into affiliation agreements with the following healthcare organizations:

Bethany Pioneer Village Inc.
Circle Drive Special Care Home Inc.
Duck Lake and District Nursing Home Inc.
Jubilee Residences Inc. (Stensrud Lodge)
Jubilee Residences Inc. (Porteous Lodge)
Lakeview Pioneer Lodge Inc.

(a) Health Care Organizations - continued

iv) Foundations - continued

The Foundations are incorporated under the *Non-Profit Corporations Act* and are registered charities under the *Income Tax Act* of Canada.

These consolidated financial statements do not include the financial activities of the Foundations. Note 10 b) ii) describes the financial position and results of operations and cash flows of these Foundations.

(b) Fund accounting

The accounts of SRHA are maintained in accordance with the restricted fund method of accounting for revenues. For financial reporting purposes, accounts with similar characteristics have been combined into the following major funds:

i) Operating Fund

The operating fund reflects the primary operations of SRHA including revenues received for provision of health services from Ministry of Health - General Revenue Fund, and billings to patients, clients, the federal government and other agencies for patient and client services. Other revenue consists of donations, recoveries, and ancillary revenue. Expenses are for the delivery of health services.

ii) Restricted Funds

Restricted funds include the capital fund, which reflects the equity of SRHA in capital assets after taking into consideration any associated long-term debt. The capital fund includes revenues received from Ministry of Health - General Revenue Fund designated for construction of capital projects and/or the acquisition of capital assets. The capital fund also includes donations designated for capital purposes by the contributor. Expenses consist primarily of amortization of capital assets.

Restricted funds also include the community trust funds that reflect community-generated assets transferred to SRHA in accordance with the pre-amalgamation agreements signed with the amalgamating health corporations. The assets include cash and investments initially accumulated by the health corporations in SRHA from donations or municipal tax levies. These assets are accounted for separately and use of the assets is subject to restrictions set out in pre-amalgamation agreements between SRHA and the health corporations. The community trust funds were expended during 2011-2012.

2. Significant accounting policies - continued

(c) Revenue

Unrestricted contributions are recognized as revenue in the operating fund in the year received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Restricted contributions related to general operations are recorded as deferred revenue and recognized as revenue of the operating fund in the year in which the related expenses are incurred. All other restricted contributions are recognized as revenue of the appropriate restricted fund in the year.

(d) Capital assets

Capital assets are recorded at cost. Normal maintenance and repairs are expensed as incurred. Capital assets, with a life exceeding one year, are amortized on a straight-line basis over their estimated useful lives as follows:

Asset	Rate
Buildings and building improvements	2.5% to 5%
Land improvements	5% to 10%
Equipment	10% to 33%

Donated capital assets are recorded at their fair value at the date of contribution if fair value can be reasonably determined.

(e) Asset retirement obligations

Asset retirement obligations are legal obligations associated with the retirement of tangible long-lived assets. Asset retirement obligations are recorded when they are incurred if a reasonable estimate of fair value can be determined. Accretion (interest) expense is the increase in the obligation due to the passage of time. The associated retirement costs are capitalized as part of the carrying amount of the assets and amortized over the asset's remaining useful life.

(f) Inventory

Inventory consists of medical and surgical supplies, drugs, laboratory supplies, and other general supplies. All inventories are valued at the lower of cost, as determined on the weighted average basis, or net realizable value.

(g) Pensions

Employees of SRHA participate in several multi-employer defined benefit pension plans or a defined contribution plan. SRHA follows defined contribution plan accounting for its participation in the plans. Accordingly, SRHA expenses all contributions it is required to make in the year.

2. Significant accounting policies - continued

(h) Financial instruments

SRHA has classified its financial instruments into one of the following categories: held-for-trading, loans and receivables, or other liabilities.

All financial instruments are measured at fair value upon initial recognition. The fair value of a financial instrument is the amount at which the financial instrument could be exchanged in an arm's-length-transaction between knowledgeable and willing parties under no compulsion to act. Subsequent to initial recognition, held-for-trading instruments are recorded at fair value with changes in fair value recognized in income. Loans and receivables and other liabilities are subsequently recorded at amortized cost. The classifications of SRHA's significant financial instruments are as follows:

- Cash is classified as held-for-trading.
- Accounts receivable are classified as loans and receivables.
- Investments are classified as held-for-trading. Transaction costs related to held-for-trading financial assets are expensed as incurred.
- Short term bank indebtedness is classified as held-for-trading.
- Accounts payable, accrued salaries and vacation payable are classified as other liabilities.
- Long-term debt is classified as other liabilities. The related debt premium or discount and issue costs are included in the carrying value of the long term debt and are amortized into interest expense using the effective interest rate method.

As at March 31, 2012, SRHA does not have any material outstanding contracts or financial instruments with embedded derivatives except for the interest rate swap as described in note 6.

SRHA is exposed to financial risks as a result of its financial instruments. The primary risks SRHA may be exposed to are:

- Price risks which includes: Currency risk - affected by changes in foreign exchange rates; Interest rate risk - affected by changes in market interest rates; and Market risk - affected by changes in market prices, whether those changes are caused by factors specific to the individual instrument or the issuer or factors affecting all instruments traded in the market.
- Credit risk is the risk that one party to a financial instrument will fail to discharge an obligation and cause the other party to incur a financial loss.
- Liquidity risk is the risk that an entity will encounter difficulty in raising funds to meet commitment associated with financial instruments. This may result from an inability to sell a financial asset quickly at close to its fair value.

2. Significant accounting policies - continued

- Cash flow risk is the risk that future cash flow associated with a monetary financial instrument will fluctuate in amount.

SRHA has policies and procedures in place to mitigate these risks.

(i) Replacement reserves

The SRHA is required to maintain certain replacement reserves as a condition of receiving subsidy assistance from Saskatchewan Housing Corporation. Schedule 4 shows the changes in these reserve balances during the year.

(j) Measurement uncertainty

These consolidated financial statements have been prepared by management in accordance with Canadian generally accepted accounting principles. In the preparation of financial statements, management makes various estimates and assumptions in determining the reported amounts of assets and liabilities, revenues and expenses and in the disclosure of commitments and contingencies. Changes in estimates and assumptions will occur based on the passage of time and the occurrence of certain future events. The changes will be reported in earnings in the period in which they become known.

4. Commitments

(a) Capital asset acquisitions

At March 31, 2012, commitments for the acquisition of capital assets were \$70.9 million (2011 - \$60.7 million). The Ministry of Health and the hospital foundations have either provided or committed to provide adequate funding to cover these commitments.

(b) Operating leases

Minimum annual payments under operating leases on property and equipment over the next five years are as follows:

2013		\$	3,636
2014			3,636
2015			3,636
2016			3,636
2017			3,636

4. Commitments (continued)

Minimum annual payments under capital leases on equipment over the full lease term are as follows:

2013	\$	351
2014		351
2015		351
2016		351
2017		335
Total minimum lease payments		1,739
Amount representing interest		(229)
Balance of the obligation		1,510
Less current portion		(271)
Long term portion		\$ 1,239

Equipment under capital leases consists of a lease with an interest rate of 5.8%.

(d) Asset retirement obligations

SRHA may be subject to asset retirement obligations on its facilities for which the fair value cannot be reasonably estimated due to the indeterminate timing and scope of removal. The asset retirement obligation for these assets will be recorded in the period in which there is sufficient information to estimate fair value.

(e) Contracted health service operators

As disclosed in note 10, SRHA contracts with affiliates and health care organizations to provide health services. Certain of these contracts have provisions for continuation of services and/or purchase of facilities in the event of termination. No significant changes in contractual arrangements are expected for the next fiscal year.

(f) Pay for performance

Effective April 1, 2011, a pay for performance compensation plan was introduced. Under the plan, senior employees were paid 90% of base salary for the fiscal year ended March 31, 2012. Amounts over 90% of base salary are considered 'lump sum performance adjustments'. Senior employees are eligible to earn lump sum performance adjustments up to 110% of their base salary. At March 31, 2012, lump sum performance adjustments have not been determined as information required to assess senior employee performance is not yet available. Lump sum performance adjustments have been accrued to 100% of base salary. Adjustments for actual amounts paid will be recorded in fiscal 2012-2013.

5. Contingencies

SRHA, along with others, is a defendant to several claims which have been brought against it over the years as a result of its medical operations. SRHA believes these claims are without merit or are covered by insurance. Settlements, if any, in excess of insurance coverage, would be accounted for as a charge against operations in the period in which settlements arise.

6. Long-term debt

Title of Issue	Stated Interest Rate	Monthly Repayment Terms (not in thousands)	2012	2011
RUH Parkade Expansion, Saskatoon - RBC Banker's Acceptance	5.8%	Revolving credit facility renewable annually to June, 2013	\$ 1,311	\$ 2,343
Pleasant View Care Home, Wadena - CMHC mortgage	4.5%	\$14,106 principal and interest of which \$15,000 is subsidized by SHC for an effective interest rate of nil. Mortgage renewal date February 1, 2015, due date November 1, 2024	1,632	1,725
Puffer Special Care Home Corporation, Nokomis - CMHC mortgage	4.5%	\$3,619 principal and interest of which \$922 is subsidized by SHC for an effective interest rate of 1.4%. Mortgage renewal date February 1, 2015, due date November 1, 2021	340	367
Capital leases	5.8%	\$350,788 principal and interest (note 4(c)).	1,510	1,833
			4,793	6,268
Less current portion			1,708	2,717
			\$ 3,085	\$ 3,551

SRHA has reduced its exposure to interest rate fluctuations by entering into an interest rate swap on the full amount of its revolving credit facility for the RUH Parkade expansion. The interest rate swap effectively fixes the interest rate on the debt at 5.8% until June, 2013.

The fair value of the interest rate swap is recorded on the consolidated statement of financial position with changes in fair value reflected as capital fund expense. At March 31, 2012, the market value loss on the interest rate swap was \$37 thousand (2011 - \$107 thousand).

6. Long-term debt (continued)

For each of the Canada Mortgage and Housing Corporation (CMHC) mortgages, the SRHA has pledged the related buildings as security. The Royal Bank loans are secured by general securities agreements and assignments of rents and leases. Saskatchewan Housing Corporation (SHC) may provide a mortgage subsidy for supportive care homes financed by CMHC. The subsidy may change when the mortgage renewal occurs.

For each of the mortgages, SRHA has pledged the related building of the special care home as security. Principal repayments and capital lease payments required in each of the next five years and thereafter are estimated as follows:

9. Trust accounts

SRHA administers funds held in trust for clinical research and patients and residents using SRHA's facilities. Any significant funds are held in separate accounts for the trust funds SRHA administers. The total cash held in trust as at March 31, 2012 was \$3.9 million (2011 - \$3.9 million). These amounts are not reflected in the consolidated financial statements.

10. Related parties

These consolidated financial statements include transactions with related parties. SRHA is related to all Saskatchewan Crown Agencies such as ministries, corporations, boards and commissions under the common control of the Government of Saskatchewan. SRHA is also related to non-Crown enterprises that the Government jointly controls or significantly influences. In addition, SRHA is related to other non-Government organizations by virtue of its economic interest in these organizations.

11. Comparative Information

Certain 2010-11 balances have been reclassified to conform to the current year's presentation.

12. Pension plans

Employees of SRHA participate in one of three pension plans.

- Saskatchewan Healthcare Employees' Pension Plan (SHEPP) – This is jointly governed by a board of eight trustees. Four of the trustees are appointed by the Saskatchewan Association of Health Organizations (SAHO), a related party, and four of the trustees are appointed by Saskatchewan's health care unions (CUPE, SUN, SEIU, SGEU, RWDSU and HSAS). SHEPP is a multi-employer defined benefit plan, which came into effect December 31, 2002. (Prior to December 31, 2002, this plan was formerly the SAHO Retirement Plan and governed by the SAHO Board of Directors.)
- Public Employees' Pension Plan (PEPP), a related party – This is a defined contribution plan and is the responsibility of the Province of Saskatchewan.
- Crown Investment Corporation, a related party – This is a defined contribution plan and is the responsibility of the Province of Saskatchewan.

The SRHA's financial obligation to these plans is limited to making the required payments to these plans according to their applicable agreements. Pension expense for the year amounted to \$41.9 million (2011 - \$36.3 million) and is included in Compensation - benefits in schedule 1.

15. Financial instruments

Significant terms and conditions

There are no significant terms and conditions related to financial instruments classified as current assets or current liabilities that may affect the amount, timing and certainty of future cash flows. Significant terms and conditions for the other financial instruments are disclosed separately in these consolidated financial statements.

Credit risk

SRHA is exposed to credit risk from the potential non-payment of accounts receivable. The majority of SRHA's receivables are from Ministry of Health - General Revenue Fund, Saskatchewan Workers' Compensation Board, health insurance companies or other provinces. Therefore, the credit risk is minimal.

Fair value

The following methods and assumptions were used to estimate the fair value of each class of financial instrument:

- The carrying amounts of these financial instruments approximate fair value due to their immediate or short-term nature.
 - Accounts receivable
 - Accounts payable
 - Accrued salaries and vacation payable
- Cash and short-term investments are recorded at fair value as disclosed in Schedule 2, determined using quoted market prices.
- The fair value of long-term debt before the repayment required within one year, is \$2.2 million (2011 - \$3.3 million) and is determined using discounted cash flow analysis based on current incremental borrowing rates for similar borrowing arrangements, net of mortgage subsidies.

Operating line of credit

SRHA has a line of credit limit of \$4.0 million with interest charged at prime less 0.5%, which is re-negotiated annually. The line of credit is secured by a general security agreement. SRHA has a line of credit of \$4.0 million with the Bank of Montreal for a Corporate Purchasing MasterCard Program with interest charged at prime plus 2%. Total interest paid on the lines of credit in 2012 was \$nil (2011 - \$nil). These lines of credit were approved by the Ministry of Health.

16. Volunteer services

The operations of the SRHA utilize services of many volunteers. Because of the difficulty in determining the fair market value of these donated services, the value of these donated services is not recognized in the consolidated financial statements.

17. Collective agreements

The SUN and SEIU contracts expired March 31, 2012 and SEIU negotiations are in the early stages. A tentative agreement with SUN was reached on April 26, 2012, however the proposed settlement has not been agreed to or ratified by the union. The HSAS contract is in effect until March 31, 2013.

18. Accounting policy changes

The Canadian Institute of Chartered Accountants approved an amendment to require Government Not-For-Profit Organizations reporting under Section 4400 of the CICA handbook to move to reporting under section 4200 to 4270 of the Public Sector Accounting Handbook. This change is effective for fiscal years beginning on or after January 1, 2012. Upon transition, SRHA will be required to account for accumulated sick leave benefits. The impact of this change is undeterminable at this time.
