SASKATOON HEALTH REGION REPORT OF MANAGEMENT

The accompanying financial statements are the responsibility of management and are approved by the Saskatoon Regional Health Authority. The financial statements have been prepared in accordance with Canadian Generally Accepted Accounting Principles and the Financial Reporting Guide issued by Saskatchewan Health, and of necessity includes amounts based on estimates and judgments. The financial information presented in the annual report is consistent with the financial statements.

Management maintains appropriate systems of internal control, including policies and procedures, which provide reasonable assurance that the Region's assets are safeguarded and the financial records are relevant and reliable.

The Authority delegates the responsibility of reviewing the financial statements and overseeing Management's performance in financial reporting to the Audit and Finance Committee. The Audit and Finance Committee meets with the Authority, Management and the external auditors to discuss and review financial matters and recommends the financial statements to the Authority for approval. The Authority approves the annual report and, with the recommendation of the Audit and Finance Committee, approves the audited financial statements.

The appointed auditor conducts an independent audit of the financial statements and has full and open access to the Audit and Finance Committee. The auditor's report expresses an opinion on the fairness of the financial statements prepared by Management.

INDEPENDENT AUDITORS' REPORT

To the Authority Members

We have audited the accompanying consolidated financial statements of Saskatoon Regional Health Authority, which comprise the consolidated statement of financial position as at March 31, 2013, March 31, 2012, and April 1, 2011, the consolidated statements of operations, changes in fund balances and cash flows for the years ended March 31, 2013 and March 31, 2012, and notes, comprising a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of consolidated financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of consolidated financial statements.

We believe that the audit evidence we have obtained in our audits is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements present fairly, in all material respects, the consolidated financial position of Saskatoon Regional Health Authority as at March 31, 2013, March 31, 2012, and April 1, 2011, its consolidated results of operations, its consolidated changes in fund balances and its consolidated cash flows for the years ended March 31, 2013 and March 31, 2012, in accordance with Canadian public sector accounting standards.

SASKATOON REGIONAL HEALTH AUTHORITY

Notes to Consolidated Financial Statements
(in thousands of dollars)

Year ended March 31, 2013 and 2012

1. Legislative authority

The Saskatoon Regional Health Authority (SRHA) operates under *The Regional Health Services Act* (the "Act") and is responsible for the planning, organization, delivery and evaluation of health services it is to provide within the geographic area known as the Saskatoon Health Region, under section 27 of the Act. The SRHA is a non-profit organization and is not subject to income and property taxes from the federal, provincial and municipal levels of government. The SRHA is a registered charity under the *Income Tax Act* of Canada.

2. Significant accounting policies

These consolidated financial statements have been prepared in accordance with Canadian public sector accounting (PSA) standards, issued by the Public Sector Accounting Board of the Canadian Institute of Chartered Accountants (CICA). SRHA has adopted the standards for government not-for-profit organizations, set forth at PSA Handbook sections PS 4200 to PS 4270. As these are SRHA's first consolidated financial statements prepared in accordance with PSA standards, Section PS 2125, First-time Adoption by Government Organizations, has been applied. SRHA has also adopted Section PS 3450, Financial Instruments, as further explained in Note 18.

SRHA's consolidated financial statements were previously prepared in accordance with Canadian generally accepted accounting principles (Canadian GAAP), as set forth in Part V of the CICA Handbook. The impact of the transition from Canadian GAAP to public sector accounting standards is described in Note 18.

(a) Health Care Organizations

- i) SRHA has entered into a joint service management partnership with one of its affiliates, St. Paul's Hospital (Grey Nuns) of Saskatoon ("St. Paul's"). St. Paul's is incorporated and a registered charity under the *Income Tax Act* of Canada. By agreement, SRHA and St. Paul's were each given responsibility for the management of designated care groups and support services. As a result of this relationship, the financial statements of St. Paul's have been consolidated with the financial statements of SRHA. Transactions and inter-organization balances between SRHA and St. Paul's are eliminated. The agreement with St. Paul's expires September 30, 2015.
- ii) In addition to St. Paul's, SRHA has entered into affiliation agreements with the following healthcare organizations:

Bethany Pioneer Village Inc.
Circle Drive Special Care Home Inc.
Duck Lake and District Nursing Home Inc.
Jubilee Residences Inc. (Stensrud Lodge)
Jubilee Residences Inc. (Porteous Lodge)
Lakeview Pioneer Lodge Inc.
Luther Care Communities (Lutheran

(a) Health Care Organizations - continued

SRHA provides annual grant funding to these organizations for the delivery of health care services. Consequently, the SRHA has disclosed certain financial information regarding these affiliates.

These affiliates are not consolidated into the SRHA financial statements. Note 10 b) i) provides supplementary information on the financial position, results of operations, and cash flows of the affiliates.

The affiliates are incorporated under the *Non-Profit Corporations Act* and are registered charities under the *Income Tax Act* of Canada.

iii) The SRHA has agreements with and grants funding to the following prescribed health care organizations (HCOs) and third parties to provide health services:

AIDS Saskatoon
Autism Treatment Services of Saskatchewan Inc.
Canadian Mental Health Association
Central Urban Metis Federation (1993) Inc.
Cosmopolitan Industries Ltd.

iv) Foundations

The following Foundations raise funds for programs, equipment and facilities under the SRHA:

Children's Hospital Foundation of Saskatchewan Inc.	Royal University Hospital Foundation Inc.
Humboldt District Hospital Foundation Inc.	Saskatoon City Hospital Foundation Inc.
Last Mountain Pioneer Home Inc.	St. Paul's Hospital Foundation Inc.
Rosthern Hospital Foundation Inc.	Watrous Community Health Foundation Inc.

The Foundations are incorporated under the *Non-Profit Corporations Act* and are registered charities under the *Income Tax Act* of Canada.

These consolidated financial statements do not include the financial activities of the Foundations. Note 10 b) ii) describes the financial position and results of operations and cash flows of these Foundations.

(b) Fund accounting

The accounts of SRHA are maintained in accordance with the restricted fund method of accounting for revenues. For financial reporting purposes, accounts with similar characteristics have been combined into the following major funds:

i) Operating Fund

The operating fund reflects the primary operations of SRHA including revenues received for provision of health services from Ministry of Health - General Revenue Fund, and billings to patients, clients, the federal government and other agencies for patient and client services. Other revenue consists of donations, recoveries, and ancillary revenue. Expenses are for the delivery of health services.

ii) Restricted Funds

Restricted funds include the capital fund, which reflects the equity of SRHA in capital assets after taking into consideration any associated long-term debt. The capital fund includes revenues received from Ministry of Health - General Revenue Fund designated for construction of capital projects and/or the acquisition of capital assets. The capital fund also includes donations designated for capital purposes by the contributor. Expenses consist primarily of amortization of capital assets.

Year ended March 31, 2013 and 2012

2. Significant accounting policies - continued

(b) Fund accounting – continued

Restricted funds also include the community trust funds that reflect community-generated assets transferred to SRHA in accordance with the pre-amalgamation agreements signed with the amalgamating health corporations. The assets include cash and investments initially accumulated by the health corporations in SRHA from donations or municipal tax levies. These assets are accounted for separately and use of the assets is subject to restrictions set out in pre-amalgamation agreements between SRHA and the health corporations. The community trust funds were expended during 2011-2012.

(c) Revenue

Unrestricted contributions are recognized as revenue in the operating fund in the year received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Restricted contributions related to general operations are recorded as deferred revenue and recognized as revenue of the operating fund in the year in which the related expenses are incurred. All other restricted contributions are recognized as revenue of the appropriate restricted fund in the year.

(d) Cash and cash equivalents

Cash and cash equivalents consist of balances with financial institutions which have an initial term to maturity of 90 days or less.

(e) Capital assets

Capital assets are recorded at cost. Normal maintenance and repairs are expensed as incurred. Capital assets, with a life exceeding one year, are amortized on a straight-line basis over their estimated useful lives as follows:

Asset	Rate
Buildings and building improvements	2.5% to 5%
Land improvements	5% to 10%
Equipment	10% to 33%

Donated capital assets are recorded at their fair value at the date of contribution if fair value can be reasonably determined.

(f) Asset retirement obligations

Asset retirement obligations are legal obligations associated with the retirement of tangible long-lived assets. Asset retirement obligations are recorded when they are incurred if a reasonable estimate of fair value can be determined. Accretion (interest) expense is the increase in the obligation due to the passage of time. The associated retirement costs are capitalized as part of the carrying amount of the assets and amortized over the asset's remaining useful life.

(g) Inventory

Inventory consists of medical and surgical supplies, drugs, laboratory supplies, linens and other general supplies. All inventories are valued at the lower of cost, as determined on the weighted average basis, or net realizable value.

(h) Employee future benefits

i) Pension plan

Employees of SRHA participate in several multi-employer defined benefit pension plans or a defined contribution plan. SRHA follows defined contribution plan accounting for its participation in the plans. Accordingly, SRHA expenses all contributions it is required to make in the year.

ii) Accumulated sick leave benefit liability

SRHA provides sick leave benefits for employees that accumulate but do not vest. SRHA recognizes a liability and an expense for sick leave in the period in which employees render services in return for the benefits. Actuarial gains and losses are amortized on a straight-line basis over the expected average remaining service life of the related employee groups.

(i) Financial instruments

SHRA has classified its financial instruments into one of the following categories: fair value or cost or amortized cost.

All financial instruments are measured at fair value upon initial recognition. The fair value of a financial instrument is the amount at which the financial instrument could be exchanged in an arm's length transaction between knowledgeable and willing parties under no compulsion to act. The following financial instruments are subsequently measured at cost or amortized cost:

- Accounts receivable
- Short-term and long-term investments
- Accounts payable, accrued salaries and vacation payable
- Long-term debt

(i) Financial instruments - continued

The related debt premium or discount and transaction costs are included in the carrying value of financial instruments recorded at cost or amortized cost and are amortized into interest expense using the effective interest rate method.

As at March 31, 2013, SRHA does not have any material outstanding contracts or financial instruments with embedded derivatives. Financial assets are categorized as level 1 in the fair value hierarchy.

All financial assets are assessed for impairment on an annual basis. When a decline is determined to be other than temporary, the amount of the loss is reported in the statement of operations.

(j) Replacement reserves

The SRHA is required to maintain certain replacement reserves as a condition of receiving subsidy assistance from Saskatchewan Housing Corporation (SHC). Schedule 4 shows the changes in these reserve balances during the year.

(k) Measurement uncertainty

These consolidated financial statements have been prepared by management in accordance with Canadian public sector accounting standards. In the preparation of financial statements, management makes various estimates and assumptions in determining the reported amounts of assets and liabilities, revenues and expenses and in the disclosure of commitments and contingencies. Changes in estimates and assumptions will occur based on the passage of time and the occurrence of certain future events. The changes will be reported in earnings in the period in which they become known.

4. Commitments

(a) Capital asset acquisitions

At March 31, 2013, commitments for the acquisition of capital assets were \$50.9 million (2012 - \$70.9 million). The Ministry of Health and the hospital foundations have either provided or committed to provide adequate funding to cover these commitments.

(b) Operating leases

Minimum annual payments under operating leases on property and equipment over the next five years are as follows:

2014	\$	6,282

(d) Asset retirement obligations

SRHA may be subject to asset retirement obligations on its facilities for which the fair value cannot be reasonably estimated due to the indeterminate timing and scope of removal. The asset retirement obligation for these assets will be recorded in the period in which there is sufficient information to estimate fair value.

(e) Contracted health service operators

As disclosed in note 10, SRHA contracts with affiliates and health care organizations to provide health services. Certain of these contracts have provisions for continuation of services and/or purchase of facilities in the event of termination. No significant changes in contractual arrangements are expected for the next fiscal year.

(f) Pay for performance

Effective April 1, 2011, a pay for performance compensation plan was introduced. Amounts over 90% of base salary are considered 'lump sum performance adjustments'. Senior employees are eligible to earn lump sum performance adjustments up to 110% of their base salary. During the year, senior employees are paid 90% of current year base salary and lump sum performance adjustments related to the previous fiscal year. At March 31, 2013, lump sum performance adjustments relating to 2012-13 have not been determined as information required to assess senior employee performance is not yet available.

5. Contingencies

SRHA, along with others, is a defendant to several claims which have been brought against it over the years as a result of its medical operations. SRHA believes these claims are without merit or are covered by insurance. Settlements, if any, in excess of insurance coverage, would be accounted for as a charge against operations in the period in which settlements arise.

6. Long-term debt - continued

For each of the Canada Mortgage and Housing Corporation (CMHC) mortgages, the SRHA has pledged the related buildings as security. The Royal Bank loans are secured by general securities agreements and assignments of rents and leases. SHC may provide a mortgage subsidy for supportive care homes financed by CMHC. The subsidy may change when the mortgage renewal occurs.

For each of the mortgages, SRHA has pledged the related building of the special care home as security.

11. Comparative information

Certain 2010-11 and 2011-12 balances have been reclassified to conform to the current year's presentation.

12. Employee future benefits

a) Pension Plan

Employees of SRHA participate in one of two pension plans.

- Saskatchewan Healthcare Employees' Pension Plan (SHEPP) - This is jointly governed by a board of eight trustees. Four of the trustees are appointed by 3sHealth (formerly Saskatchewan Association of Health Organizations (SAHO) (a related party)) and four of the trustees are appointed by Saskatchewan's health care unions (CUPE, SUN, SEIU, SGEU, RWDSU, and HSAS). SHEPP is a multiemployer defined benefit plan, which came into effect December 31, 2002. (Prior to December 31, 2002, this plan was formerly the SAHO Retirement Plan and governed by the SAHO Board of Directors).
- Public Employees' Pension Plan (PEPP) (a related party) - This is a defined contribution plan and is the responsibility of the Province of Saskatchewan.

SRHA's financial obligation to these plans is limited to making the required payments to these plans according to their applicable agreements. Pension expense is included in Compensation - Benefits in Schedule 1 and is equal to SRHA's contributions amount below.

	SHEPP ⁽¹⁾	PEPP	Total 2013	Total 2012

*Contribution rate varies based on employee group.

⁽¹⁾Active members are employees of the SRHA, including those on leave of absence as of March 31, 2013. Inactive members are not reported by the SRHA, their plans are transferred to and managed directly by SHEPP.

12. Employee future benefits – continued

Pension plan contribution rates have increased as a result of recent deficiencies in the plans. Contribution rates will continue to increase until the next actuarial reports are completed.

b) Accumulated sick leave benefit liability:

The SRHA provides certain compensated sick leave benefits to its employees. These benefits generally accumulate with employee service but do not vest. The liability represents the present value of the amount attributed to the expected future utilization of the accumulated sick leave benefits. The liability relates only to the sick days used in a future year that are over and above sick days earned in a future year.

The liability is actuarially determined using the projected benefit method prorated on service and management's best estimate of expected increases in earnings, discount rate, employee demographics and sick leave usage of employees. The SHRA has completed an actuarial valuation as of March 31, 2013. Key assumptions used as inputs into the actuarial calculation are outlined below. Changes to these key assumptions could have a material impact to the amounts recorded in these statements.

	2013	2012
Discount rate	2.75%	3.75%
Expected average remaining service life	13.1 years	13.1 years
Earnings increase for seniority, merit and promotion is as follows:		
Employee groups		Rate
For ages 15 to 29		2.0%
For ages 30 to 39		1.5%
For ages 40 to 49		1.0%
For ages 50 to 59		0.5%
For ages 60 and over		0.0%

15. Financial instruments

a) Significant terms and conditions

There are no significant terms and conditions related to financial instruments classified as current assets or current liabilities that may affect the amount, timing and certainty of future cash flows. Significant terms and conditions for the other financial instruments are disclosed separately in these consolidated financial statements.

b) Financial risk management

SRHA has exposure to the following risks from its use of financial instruments: credit risk, market risk and liquidity risk.

The Chairperson ensures that the SRHA has identified its major risk and ensures that management monitors and controls them. The Chairperson oversees the SRHA's systems and practices of internal control, and ensures that these controls contribute to the assessment and mitigation of risk.

c) Credit risk

Credit risk is the risk that one party to a financial instrument will fail to discharge an obligation and cause the other party to incur a financial loss. SRHA is exposed to credit risk from the potential non-payment of accounts receivable. The majority of SRHA's receivables are from Ministry of Health - General Revenue Fund, Saskatchewan Workers' Compensation Board, health insurance companies or other provinces. Therefore, the credit risk on accounts receivable is minimal. SRHA is also exposed to credit risk from cash and cash equivalents and investments.

The SRHA manages its credit risk surrounding cash and cash equivalents and investments by dealing solely with reputable banks and financial institutions and utilizing an investments policy to guide investment decisions. This risk is minimized by investing in bonds guaranteed by federal and provincial governments or corporate bonds considered to be of high grade investment quality. The SRHA invests surplus funds to earn investment income with the objective of maintaining safety of principal and providing adequate liquidity to meet cash flow requirements.

The maximum exposure to credit risk based on the carrying amounts of SRHA's financial assets at March 31 is as follows:

	2013	2012
Cash and cash equivalents	\$ 52,385	\$ 29,767
Short-term investments	27,148	43,396
Accounts receivable		
Ministry of Health – General Revenue Fund	3,480	3,881
Other	21,321	19,050
Investments	160,411	192,856

d) Market risk

Market risk is the risk that changes in market prices, such as foreign exchange rates or interest rates will affect the SRHA's income or the value of its holdings of financial instruments. The objective of market risk management is to control market risk exposures within acceptable parameters while optimizing return on investment.

(i) Foreign exchange risk

SRHA operates within Canada, but in the normal course of operations is party to transactions denominated in foreign currencies. Foreign exchange risk arises from transactions denominated in a currency other than the Canadian dollar, which is the functional currency of SRHA. SRHA believes that it is not subject to significant foreign exchange risk from its financial instruments.

(ii) Interest rate risk

Interest rate risk is the risk that the fair value of future cash flows or a financial instrument will fluctuate because of changes in the market interest rates.

Financial assets and financial liabilities with variable interest rates expose the SRHA to cash flow interest rate risk. SRHA's investments include guaranteed investment certificates and long-term bonds bearing interest at coupon rates as disclosed in Schedule 2. SRHA's mortgages payable outstanding as at March 31, 2013 and 2012 have fixed interest rates.

Although management monitors exposure to interest rate fluctuations, it does not employ any interest rate management policies to counteract interest rate fluctuations.

(e) Liquidity risk

Liquidity risk is the risk that SRHA will be unable to fulfill its obligations as they become due.

SRHA manages liquidity risk by continually monitoring actual and forecasted cash flows from operations and anticipated investing and financing activities.

(f) Fair value:

The carrying amounts of these financial instruments approximate fair value due to their immediate or short-term nature.

- Accounts receivable
- Accounts payable
- Accrued salaries and vacation payable
- Cash and cash equivalents

The fair value of long-term debt before the repayment required within one year is \$17.3 million (2012 - \$2.2 million) and is determined using discounted cash flow analysis based on current incremental borrowing rates for similar borrowing arrangements, net of mortgage subsidies.

(g) Operating line of credit

SRHA has a line of credit limit of \$4.0 million with interest charged at prime less 0.5%, which is re-negotiated annually. The line of credit is secured by a general security agreement. SRHA has a line of credit of \$4.0 million with the Bank of Montreal for a Corporate Purchasing MasterCard Program with interest charged at prime plus 2%. Total interest paid on the lines of credit in 2013 was \$1 thousand (2012 - \$nil). These lines of credit were approved by the Ministry of Health.

16. Volunteer services

The operations of the SRHA utilize services of many volunteers. Because of the difficulty in determining the fair market value of these donated services, the value of these donated services is not recognized in the consolidated financial statements.

17. Collective agreements

The SEIU contract expired March 31, 2012 and negotiations are ongoing. The SUN contract was ratified on May 28, 2012 and is in effect until March 31, 2014. The HSAS contract expired March 31, 2013 and negotiations are in the early stages.

18. Transition to public sector accounting standards

Adoption of public sector accounting framework

As stated in Note 2, these are SRHA's first consolidated financial statements prepared in accordance with Canadian public sector accounting standards. The accounting policies set out in Note 2 have been applied consistently in preparing the consolidated financial statements for the year ended March 31, 2013, the comparative information presented in these consolidated financial statements and the opening statement of financial position as at April 1, 2011, the transition date.

a) Financial instruments

Effective April 1, 2012 SRHA adopted the PSA standards for Financial Instruments (PSA Handbook Section PS 3450). Section PS 3450 establishes standards on how to account for and report all types of financial instruments, including derivatives. Section PS 3450 has been applied prospectively, in accordance with the transitional provisions of the Section.

Upon adoption of Section PS 3450, SRHA was required to assign its financial instruments to one of two measurement categories: fair value; or cost or amortized cost. Cash and cash equivalents are classified in the fair value category. Previously, cash and cash equivalents, short-term investments and investments were measured at fair value. SRHA's other financial assets and financial liabilities are measured at cost or amortized cost. Carrying amounts are in each instance disclosed in the consolidated statement of financial position.

The adoption of Section PS 3450 had no impact on the recognition, measurement, presentation or disclosure of financial instruments reported in these consolidated financial statements.

b) Employee future benefits

SRHA made an adjustment to the 2011 consolidated financial statements with respect to the accounting for employee future benefits. Specifically, this adjustment related to accounting policy differences under public sector accounting standards with respect to the determination of the obligation for accumulated sick leave.

In aggregate, the resulting increase to the liability for employee future benefits at April 1, 2011 was \$27.9 million. The liability for employee future benefit costs recorded at March 31, 2012 was decreased by \$355 thousand. The impact of these restatements on the comparative figures is as follows:

(1) Salaries include regular base pay, honoraria, sick leave, vacation leave and merit or performance pay, lump sum payments, any other direct cash remuneration and contractor payments. Senior employees' salaries were paid 90% of base salary. Senior employees are eligible to earn up to 110% of their base salary. Performance pay is reflected in the year paid. Refer to Note 4 (f) for further details. Contractor payments include payments to individuals contracted to provide services to SRHA.

(2) Benefits and allowances include the employer's share of car, teleworking and relocation allowances and Group Life Insurance that are taxable to the employee.

(3) This position is an employee of St. Paul's Hospital. St. Paul's Hospital is responsible for a number of care groups on behalf of the Saskatoon Regional Health Authority.

(4) Ending April 7, 2013, salaries represent vacation and performance pay.

(5) These are payments made by SRHA to the University of Saskatchewan for the SRHA's portion of the individual's role.
